The New Zealand Ice Hockey Federation and Dunedin Ice Hockey Association are pleased to be hosting three top Swedish coaches who are part of their national programme. The camp is a fantastic opportunity to receive intensive coaching at the top level from a coaching level not often seen in New Zealand.

They will be in Dunedin for a week – running a weekend coaches course to train our local coaches, followed by a five day player camp for all players under 19 years of age.

INSTRUCTORS

Bjorn Pettersson – 40 years of coaching experience in Sweden, employed by Sweden Ice Hockey and International Ice Hockey Federation
Ulf Hall – coached Division 1 teams in Sweden, assistant Sweden U17s.
Carl Andersson - Goalie Coach.
Local coaches will assist on the ice

CAMP STRUCTURE

The camp will involve on ice sessions for four hours a day. These sessions will focus on the skills of hockey – skating, passing, shooting, body checking, with small area and full ice games.

One of the three coaches is a goalie coach, and goalies will receive full on and off-ice training as part of the programme.

Each day will include off-ice skills development, fitness work, games sessions as well as classroom instruction and video.

- Target Age: 8 - 18 years old in the 2013 Calendar year
- Limited to 50 players
- Firm discipline policies on and off-ice
- 4 hours on-ice each day (except on Wednesday which will have an afternoon activity away from the rink)
- Fitness and off-ice skills training daily
- Instructional lectures, videos and classroom sessions daily
- Lunch and snacks organised each day
- Billets sought if required (not guaranteed)
- Personalised NZIHF certificate at end of week
- Small area, cross ice and full ice games included in the programme

All participants are expected to be fully equipped with all safety gear, including full-face protection, throat protector as well as having a named water bottle. The camp begins at 8:30am each day and finishes at 6:30pm each day.
