### **Managers will have a one-year appointment (till May 2011)**

Our National U18 Team is expected to participate in development camps and competitions as part of their Training Program for the season as they build towards the 2011 IIHF Division II World Championships (dates and venue tba). Selections for the squad should take place during the National Championships weekend in Gore in August 2010 as per NZIHF National Team Guidelines. Several Regional Development Camps will be held before Christmas by the NZIHF to help orientate coaches and managers. Several periodic training weekends are to be held from then on. The Manager will also be required to provide documentation and budgets as per job description and NZIHF Managerial Guidelines. Coaches are already appointed for this team. The one-year appointment is in order to bring the position in line with NZIHF National Team Appointments cycle. The Manager will have some input into the Assistant Manager position. This is a part-time voluntary position with the NZIHF and as such has no associated salary.
